

Alabama Bandmasters Association Middle School All-State Band

**A Message from John Cooper
Vice-President, ABA
Chairman, Music Selection Committee**

The materials selected for the Alabama All-State Band Auditions represent a conscientious effort by the Music Selection Committee to improve the quality of the All-State Bands and provide an equitable method of selecting the participants. Thanks to the members of the Committee for their valuable input and contributions to the compilation of the audition materials.

Please note the following:

- 1. The snare drum audition must be performed with concert equipment (Snare drum and sticks)**
- 2. Snare drum rudiments must be performed *as written* in the following list of audition materials.**
- 3. The tempo of scales is a suggested tempo. An eighth note “feel” must be maintained when playing scales.**

District Chairmen: Please make note of the following audition criteria:

- 1. All students except percussion must be auditioned by number behind a screen.**
- 2. Students will not be allowed to audition if their director is not present to help judge auditions. Exceptions to this may be granted by the District Chairman.**
- 3. A student will be allowed to audition on only one instrument except for flute/piccolo and percussion (remember that Middle School piccolos will be auditioned at the All-State Festival, NOT AT THE DISTRICT AUDITION).**
- 4. Wind players must correctly play a minimum of seven scales and their arpeggios (five for the Middle School Band). See the pages relating to percussion auditions for such requirements. Failure to fulfill these requirements will terminate the audition. ALL SCALES MUST BE MEMORIZED. ANY STUDENT FOUND USING SCALE SHEETS DURING AUDITIONS WILL BE DISQUALIFIED.**
- 5. No alternate will be allowed to participate in the All-State Bands unless assigned by the ABA President.**

Your suggestions or questions are always welcomed.

District Teams for Middle School Unassigned

Districts 1&2, Districts 3&4, Districts 5&6, Districts 7&8. The Middle School unassigned quotas will be met by the utilization of the District Team quotas below. Auditions will be held at the same time as the regular District All-State auditions. The District Chairmen will decide which district will host the unassigned auditions. If both districts in the team have their auditions on the same date and directors have students attending both audition sites, the chairmen will determine where the directors are most needed. Students who make the Middle School Band will audition for chair placement at the All-State Band Festival. Chairmen of both districts will be responsible for notifying their directors of the results. All-State registration will be the responsibility of the individual directors.

- 1) Piccolo and Eb Soprano Clarinet will be selected from the Flute and Bb Soprano Clarinets who are selected for All-State.
- 2) Students will audition first on their principal instrument and then on the unassigned instrument.

2010 Middle School All-State Audition Requirements for All Wind Instruments, String Bases

All Scales will be played one octave except for Eb and Bb Soprano Clarinets, Flute/Piccolo, and Mallet Percussion. Those instruments must play all scales and arpeggios two octaves. (Piccolo will play C and Db scales one octave). String basses must bow scales. These scales are NOT concert pitch – they are WRITTEN pitch. All scales must be memorized, including the chromatic scales. Ranges for chromatic scales are listed with the requirements for the individual instruments. Students must prepare 12 Major Scales and their related arpeggios as listed below. If a student does not successfully complete five (5) of the twelve major scales with their related arpeggios the student will not be allowed to continue the audition.

12 Major Scales and Arpeggios:

C, F, Bb, Eb, Ab, Db, Gb, G, D, A, E, B, 1 point for each scale, plus 1 point for each related arpeggio. To be played in eighth notes at a suggested tempo of MM quarter note = 120.

Minor Scales and Arpeggios:

C Harmonic Minor

A Melodic Minor

1 point for each scale, plus 1 point for each related arpeggio. To be played in eighth notes at a suggested tempo of MM quarter note = 120.

Chromatic Scale:

Ranges and starting notes vary for each instrument. Chromatic scale will be played in eighth notes. M.M. Quarter note = 120.
