Directors and students:

Please note the following reminders concerning the All-State 2011 audition materials.

1. Note the order of the major scales and arpeggios has changed for wind instruments and mallet instruments. Students should begin on their written C and follow the circle of fourths. By doing this the scales will be performed in this order:

C, F, B flat, E flat, A flat, D flat, G flat, B, E, A, D, G

Nothing else about the scale portion of the audition has changed.

2. High school trombone and baritone bass clef players should purchase the Arban's Famous Method for Trombone 2008. At the bottom of the title page it will say "This edition Copyright 2008 by Carl Fischer, LLC." The book has been newly edited and now contains fewer errors and better dynamic and stylistic indicators.
